Dear Sponsor,

We are writing this letter to request your participation in our Second Annual 5v5 Soccer Tournament Fundraiser. This is a fundraiser sponsored by the South Plains Kidney Foundation of West Texas. Our organization consists of a group of volunteers who work to support dialysis patients, transplant patients, their families, and the renal professionals in the community. The South Plains Kidney Foundation is committed to the prevention of kidney disease, improving the health and well-being of patients and families affected by kidney disease, providing resources to patients and the professionals who work with them, and increasing awareness of organ donation.

We are holding our Annual 5v5 Soccer Tournament on June 16, 2018.
